**Learn how to support
your team to be
more independent now**

SET YOURSELF APART FROM OTHER LEADERS AND ADVANCE YOUR COACHING SKILLS!

You're invited to work with Master Performance Coach Michael Sheargold as he shares with you the coaching strategies that will help you bring out the best in others.

Even before the concept of coaching in business was popular, Michael Sheargold was supporting, helping and coaching 1,000's of professionals to be their very best.

The heart of the Ultimate Empowerment Program is enhancing your ability to help other people succeed. Attend Coach the Coach and be surprised what you can and will achieve!

Here's what you'll learn at Coach the Coach...

- The do's and don'ts of coaching
- How to create the confidence for change in others
- The keys to moving from caretaking to creating performance
- How to stimulate effective co-operation
